Pob dymuniad da!!!

Ysgol y Moelwyn Parent Guidelines – 1 September 2021

We are looking forward to seeing you back in school! Here are some important things for you to remember!

- **Attendance:** Come to school everyday **but NOT** if you show COVID symptoms which are a cough, a high temperature and loss of taste/smell. If this happens, please inform the school immediately and arrange a test.
- **Safe behaviour:** These guidelines are vital – please read and discuss them with your child – social distancing, face coverings, specific areas to assemble, specific ways to queue, handwashing, common sense etc.
- **Travelling:** Please read the Gwynedd County guidelines for bus arrangements. Your child is very welcome to travel to school on a bike or scooter! Pupils are expected to wear face covering on buses.
- **Using a face covering:** Gwynedd Council **expect** that all pupils 11 years old and over wear a face covering when travelling on specific school and college transport (bus or taxi). It is **essential** to wear a face covering when travelling on public transport. You are welcome to use a face mask in busy areas outside the classroom (e.g. corridors, canteen). You are expected to wear a face mask in the canteen.
- **Mentoring desk:** There is one special desk in every classroom. The teacher will use this desk to discuss work/mentor with your child. There is a screen in the middle. Your child will be expected to clean the chair before and after use. Here is a picture of the mentoring desk along with some signs on site.
- **End of day:** At the end of the day, year 7 and 8 will leave a few minutes before all other pupils.
- **Catering and drinks:** The school will be providing toast during the morning break and lunch during the lunch period. Water bottles can be refilled in the canteen using the water fountain under supervision on certain periods.
- **Cleanliness:** Your child will be expected to clean some areas themselves – e.g. a seat before and after sitting. All pupils are expected to wash their hands with gel on arrival at the school.
- **Equipment and other items:** Learners will not be able to borrow equipment.

Equipment

- Water bottle.
- Subject books in line with the timetable, notebook (available in school if needed).
- Biro, pencils, glue, scissors (with blunt end) and calculator.
- Hand gel.
- To avoid sharing equipment, your child is welcome to bring their own chromebook or laptop to the school, at their own responsibility. If your child wants to bring a laptop to school, it is important that they have already been charged. There will only be a few charging points available at the school.

- **School uniform:** To be worn in full at all times.
- **Lateral flow tests:** We encourage all pupils, following formal consent from parents/caregivers, to complete a lateral flow test every Sunday and Wednesday evening. If the test is positive, you should inform the school immediately and stay at home. You will also need to inform the recording service and follow the guidelines (see manual guidelines).

All the best to you!!!
